THE WEIHNACHTSQUARTIER

Are you a designer, artist or craftsperson, and do you make your own creations outside the mainstream? Then the WeihnachtsQuartier at MuseumsQuartier – the design market with a difference – is the place to be!

On the first Advent weekend you can show your unconventional, distinctive and original products – fashion, jewellery or art, accessories or gourmet food – to a designloving public. The WeihnachtsQuartier is an ideal platform for networking with other innovative and creative artists.

Exhibitors will be selected by an expert jury and the organisers MTS Wien, with a focus on Austrian design and small labels and manufactures. Become part of the WeihnachtsQuartier and meet around 100 exhibitors from Austria and neighbouring countries in the historic premises of the MuseumsQuartier from 25 to 27 November 2022. There is 1,000 m² of exhibition space available in the Ovalhalle, the Foyer, the Arena21 and the frei_raum Q21.

THE STAND DESIGN

In order to be able to offer our visitors an exceptional design market, a high-quality decoration concept and an artistically innovative stand design are particularly important to us.

Various presentation furniture and chamois-coloured, floor-length table hangings can also be rented. The type of furniture, dimensions and prices can be found in the attached information sheet.

ABOUT US

Among MTS Wien's own markets are the Schönbrunn Christmas and New Year's Market, the Schönbrunn Easter Market, and the POTS und BLITZ and WeihnachtsQuartier design markets.
